CodeRED®

CodeRED is a FREE Emergency notification service provided to all residents within the Village of Barnesville/Belmont County that will notify you of emergency information through **phone calls, text messages, emails, and by a mobile app.** The system is being provided to the Village of Barnesville through Belmont County 911. Belmont County residents can also enroll to receive CodeRED Alerts.

The system will be used to keep you informed of local events that may immediately impact your safety. In addition to safety messages, you may also receive community and severe weather notifications. As a local resident, the Village of Barnesville and the Barnesville Police Department encourages you to take action and register your cell phone, home phone, email address and verify your home location during the enrollment process so we may target notifications that directly impact your home or business. We also encourage residents to opt-in to receive General notifications.
