VILLAGE UPDATE

Summer has arrived and the Barnesville Memorial Park is lively with activity. We had some difficulty in opening the pool that delayed opening day for 5 days but the pool is open and in operation now.

The annual Independence Day Celebration will take place on Saturday July 1st with a rain date of Saturday July 8th. This event always proves to be a good time and a great community gathering. The food truck choices will be awesome with Cowgirl Country Fixins, Shamrock Tropical Sno, DiRusso's, Hudson's Brick Oven Pizza and Homemade Ice Cream, and Two Stack Bar-B-Que. Baseball and a free swim at the pool along with musical entertainment throughout the day.

The Village continues to work with ODOT on the Tunnel & Trail Project. The Village has been awarded 2.1 million dollars for this project to provide drainage and a liner for the tunnel complete with lighting as well as wing walls for bank stabilization and a paved walkway from South Street to St. Rt. 147 along Railroad Street.

Permit Parking Spaces Available

The Village of Barnesville has several permit parking spaces available in the East Main Street Parking Lot, located between Cheffy's and Avenues. The cost is \$20 a month or \$120 a year. Parking permits are valid Monday through Saturday 8am-6pm, except special events and for maintenance. Permits are sold on a first come basis. For more information or to purchase a permit, contact the Barnesville Police Department 740-425-1976.

Fire Hydrant Flushing

The Barnesville Water Department will be flushing fire hydrants beginning Monday, July 10, 2023 and will continue daily until completed. Residents may experience loss of pressure and discolored water and should inspect the water prior to washing clothing as staining may result. The Barnesville Water Department apologizes for any inconvenience this may create.

Pool Water Meter Available

The Barnesville Water Department has a water meter available for those that are filling their pools up. This meter can be obtained from the Water Office Monday-Friday 8am-4pm. By using this meter you can save on sewer cost from your water bill when filling up your pool this summer. For more information contact the Water Office 740-425-3672.

Spring-Summer Street Sweeping

The Village Street Department is sweeping streets now that weather has improved. Be on the lookout for flyers that will be placed on cars for no parking daysto allow street sweeping to begin on your street.

Sidewalk Replacement Loan

Barnesville Village Council is offering a loan program to residents in an effort to replace deteriorated sidewalks. The program offers zero percent loans to replace the walks that travel parallel with Village streets and will include curbs and driveway aprons. The village will select and pay the contractor and then send a monthly invoice to the property owner. All rules, regulations, and specifications of the village will be followed. Applicants must have not had any delinquent water bills over the past 24 months, unpaid Village Income taxes, or unpaid fines. Contact Village Administrator Roger Deal at 740-425-1880 with questions about the program or residents may email to admin@barnesvilleohio.com. Applications are available at the Barnesville Water Department at 126 E. Church St., Barnesville, OH.

CodeRED Test Survey

We appreciate everyone that completed the CodeRED Test Survey. We have had a lot of good responses to the survey and also responses on social media.

The Police Department has been in contact with CodeRED to work out some trouble areas that did not get the message due to mapping issues with our Corporation Limit. This mapping issue has been corrected to reflect our actual corporation limit, instead of the default mapping corporation line. This will ensure that all residents of the corporation will receive messages when they are sent out by the Police Department.

In addition to the corporation limit issue, we now have the ability to send messages out to those within the Barnesville Water Department Service Area. This will ensure boil orders are sent out by the Village of Barnesville when necessary. Previously these were sent to Belmont County 911 to be sent via CodeRED, as the Police Department did not have access

outside of the Barnesville Corporation Limit. This will ensure information is relayed in a timely manner. Water Customers information will be entered into CodeRED to allow us to reach all water customers. Many received a double CodeRED notification. There was an issue when sending that caused this. However, this issue has been corrected.

Based on those that responded to the survey it seems everyone was appreciative of the CodeRED test. We will continue to do an annual CodeRED Test on March 1st at 1:00 PM each year, with a survey to follow each time.

Those that are signed up for CodeRED we appreciate your participation in this free Emergency/General Alert System. We encourage residents of Barnesville and Belmont County to enroll in the CodeRED notification system. To enroll visit www.alerts.barnesvilleohio.com or text “BELMONT” to 99411. The CodeRED system is provided to the Village of Barnesville through Belmont County 911.
