FROM THE MAYOR'S DESK

Hello Barnesville,

I am deeply grateful for the support and encouragement I've received since I began my journey in this new role. The first two months have been filled with learning about the day-to-day operations of our Village. This period has deepened my understanding and appreciation of what makes Barnesville not just a place to live, but a true community to call home.

Looking ahead, I'm excited about what we can achieve together. Let's continue to collaborate, innovate, and invest our efforts to further improve our community. Our goal is not only to preserve the unique charm and livability of Barnesville but also to enhance it, ensuring it remains an exceptional place to live, work, and visit.

Together, we possess the capability to create an even brighter future for our town. I am eager to embark on this journey with you, exploring the limitless possibilities that lie ahead.

Income Tax Reminder

The Village of Barnesville contracts with the Regional Income Tax Agency (R.I.T.A.) to manage our municipal tax collections. R.I.T.A. offers residents and businesses free online filing and payment options. For questions or additional information call 1-800-860-7482 or visit ritaohio.com, or contact the Fiscal/Income Tax Office 740-425-3444.

Annual CodeRED Test Completed

The Village of Barnesville sent out the annual test of the emergency alert system CodeRED on Friday, March 1, 2024 at 1:00 PM. Subscribers received a test alert by phone call, text, and email. This allows us to ensure the system is operational. An optional survey is being conducted at this time. To take the survey visit www.barnesvilleohio.com or scan the QR code on page 10 of the Newsletter.

Council Meeting Agendas Online

The Friday or prior days to the upcoming Council Meetings the Meeting agendas will be posted online. Visit www.barnesvilleohio.com to view meeting agendas.

Cemetery Cleanup

Residents are asked to remove grave decorations from all village operated cemeteries. These include Crestview, Northern, and Southern Cemeteries. The Village of Barnesville requests all decorations are to be removed by March 15th as part of the annual spring clean up. Decorations not removed by this date will be disposed of by the cemetery staff.

Spring Street Sweeping

The Village Street Department will begin sweeping streets once the weather improves. Be on the lookout for flyers to be placed on vehicles for no parking days to allow street sweeping of your street.

Park Pool Opening Date

Park Pool opening date is set for Saturday, May 25, 2024!

Barnesville PD Webchecks® Hours

The Barnesville Police Department offers Electronic Fingerprinting Services. Hours were extended in December and are now 9:00 AM-5:30 PM Monday-Friday. We are able to perform Ohio BCI and FBI database Webchecks, Florida Level 2 Background Checks, Fingerprint Capture, and Fingerprint Cards. Appointments are required and must be made online by visiting <http://www.fastfingerprints.com>. For questions, contact the Barnesville Police Department 740-425-1976.

VILLAGE UPDATE

Spring is just around the corner and it will soon be mowing season so it is a good time for residents to clean up their properties. The annual cemetery clean-up will take place on March 15th so grave decorations need to be removed by that date or they will be disposed of and speaking of mowing the Village is looking for seasonal workers for mowing of all village owned properties with applications available at the Barnesville Water Department.

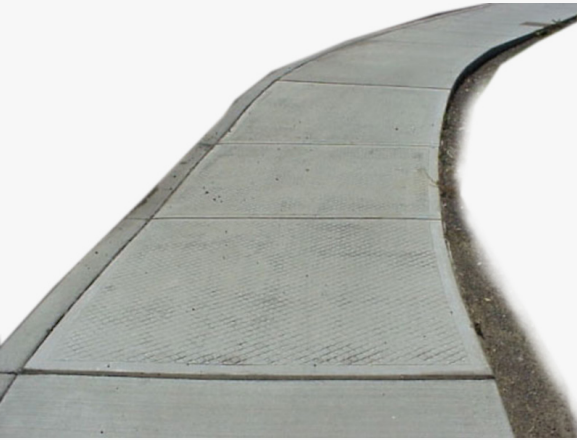

The Village is currently working with ODOT on the Tunnel & Trail Project. The Village has been awarded 2.8 million dollars for this project to provide drainage and a liner for the tunnel complete with lighting as well as wing walls for bank stabilization and a paved walkway from South Street to St. Rt. 147 along Railroad Street.

The Village has been awarded FEMA funding through ODNR Division of Dam Safety to repair the slip at the Rotary Lake at Barnesville Memorial Park and we are hopeful that project will be completed this summer.

Residents have been wondering why Reservoir # 1 on Cross Road by the Water Treatment Plant is so low. There is a leak in the dam and ODNR has requested that we dewater the Reservoir until we get it to the level that the leak will stop. This will give the Village time to have an engineer investigate the situation and design repairs.

The Barnesville Memorial Park will be coming alive with the arrival of warmer weather. Baseball will be starting in March and the swimming pool will be opening May 25th along with many other activities. The Independence Day celebration is scheduled for Saturday July 6th with a rain date of Saturday July 13th.

Barnesville Sidewalk Replacement Loan Program

Barnesville Village Council is offering a loan program to residents in an effort to replace deteriorated sidewalks. The program offers zero percent loans to replace the walks that travel parallel with Village streets and will include curbs and driveway aprons. The village will select and pay the contractor and then send a monthly invoice to the property owner. All rules, regulations, and specifications of the village will be followed. Applicants must have not had any delinquent water bills over the past 24 months, unpaid Village Income taxes, or unpaid fines.

Contact Village Administrator Roger Deal at 740-425-1880 with questions about the program or residents may email to admin@barnesvilleohio.com. Applications are available at the Barnesville Water Department at 126 E. Church St., Barnesville, OH.

Spring Cleaning Reminders

Spring time is the perfect time to ensure your property is in shape and abiding by the property maintenance code chapter 1381. Property owners are reminded to adhere to this code. Every premises and structure shall be maintained in good repair and kept free of all nuisances, health, safety, and fire hazards, unsanitary conditions and abate the same. Buildings should be maintained to be weather and water tight and free of deterioration. Inoperable vehicles shall be stored within fully enclosed buildings or other locations not exposed to public view, or shall be removed from the premises. Whoever violates this section will be served with a 30-day notice to abate.

Now is also a good time to ensure lawn care equipment is in working order. If you typically hire someone to mow for you, it is also a good time to check with them or find a company to mow your property. That way when the grass begins to grow, everything will be in order to keep your property and lawn in compliance.

We're HIRING

The Village of Barnesville is an Equal Opportunity Employer and a drug-free workplace

General Laborer (Seasonal) -

The Village of Barnesville is accepting applications for seasonal positions for the Park and Cemetery Departments. Applicants must be at least 16 years of age. These positions include general laborers for mowing of cemeteries and all village properties as well as lifeguards and concession workers for the park. Applications may be obtained at the Barnesville Water Department Office, 126 East Church St., or online at <https://barnesville.aidaform.com/application>

General Laborer (Seasonal) -

The Village of Barnesville is accepting applications for seasonal positions for the Cemetery Department. Applicants must be at least 16 years of age. These positions include general laborers for mowing of cemeteries and all village properties. Applications may be obtained at the Barnesville Water Department Office, at 126 East Church St., or on-line at <https://barnesville.aidaform.com/application>

Police Officer (Full-Time) -

The Village of Barnesville Police Department is seeking one candidate for the position of Full Time Police Officer. The Village of Barnesville Police Department is a full time 24/7 department and has a coverage area that consists of approximately 5,000 citizens. The department has a K9 Unit, SRO Program, positions for advancement, benefits, etc. The department prides itself on the relationship that has been built not only with the community but neighboring agencies and organizations as well. As a member of the Village of Barnesville Police Department you will be expected to professionally and efficiently execute the duties of a Police Officer. Other expectations include having respect for those you serve, your co-workers and superiors, yourself, being team oriented, and having pride in what you do, the department, and the community. Requirements for the position include possessing a valid operator's license and current OPOTA certificate. Candidates will be subject to a background check and drug screen. If you are interested or would like more information please contact Chief Rocky Sirianni at (740) 425-1976, Email Address, or stop at the department located at 132 North Arch Street, Barnesville, Ohio 43713. Apply online: <https://barnesville.aidaform.com/application>

Barnesville PD Cruisers Equipped with LifeVac

The Barnesville Police Department cruisers are now equipped with a life-saving tool called LifeVac, thanks to a grant from the South Central Power Company Foundation. LifeVac is a simple airway clearance device that can be used on adults and children, requires only seconds to use, and can be administered by anyone in a choking emergency. These devices are now placed in each cruiser of the police department and will be utilized during choking emergencies. The Police Department is thankful for the grant from South Central Power Company Foundation for providing us this life saving tool.

On Sunday, February 11, 2024 the Barnesville Fire and EMS conducted a training session on vehicle extrication. Drills such as these enable department personnel to remain agile and responsive when responding to a true emergency.

FOUR EASY WAY TO FILE YOUR MUNICIPAL TAXES:

ONLINE

MAIL IN

DROPBOX

DROP OFF

Barnesville residents, age 18 and older, with earned income are required to file a Village income tax return annually. The Village of Barnesville contracts with the Regional Income Tax Agency (R.I.T.A) to administer income tax collections. As with federal and state, the local tax deadline is **Monday, April 15, 2024**. Please submit your income tax return electronically by visiting www.ritaohio.com or by mailing your completed Form 37. Taxpayers that have moved outside the village limits or are retired receiving only retirement income, must notify RITA by completing an Individual Declaration of Exemption Form located at www.ritaohio.com.

Contractor & Building Permits Required

Completing a project this year? You may need to obtain a building permit with the Village. Any time you are building or remodeling commercial or residential property within the Village of Barnesville Corporation limit you must first obtain a building permit. This gives you legal permission from the Village to begin construction work or demolition. These permits must be obtained BEFORE your project can begin. Contractors are also required to obtain a permit with the Village prior to doing contractor work within the Village Corporation Limit. These permits can be obtained from the Fiscal Office at the Municipal Building, 132 N Arch St, Barnesville on the 2nd floor. Permit application forms can be found on the Village Website www.barnesvilleohio.com on the Fiscal Office page or by clicking on the forms button on the homepage. If you have any questions about building or contractor permits you may contact the Fiscal Office 740-425-3444.

Village of Barnesville WANTS YOU TO **BE ALERT** OF SEVERE WEATHER

SIGN UP TODAY

Visit alerts.barnesvilleohio.com to sign up for CodeRED Weather Warning and to begin receiving automated alerts the moment you're immediately impacted by severe weather.

RECEIVE ALERTS

Alerts for severe thunderstorms, flash floods and tornadoes will be delivered via phone call, text, email or a combination of all three, based on your specific preferences.

BE ALERT

Residents in the direct path of severe weather will receive alerts after a warning is issued by the National Weather Service. Listen carefully to the message and take immediate action, if indicated, to protect yourself, your loved ones, and your property.

CodeRED Weather Warning phone number: 800-566-9780

Save this number in your phone's contacts so you can easily recognize the message as a severe weather warning.

Ohio Outdoor Fire Laws: What You Need to Know

Ohio Revised Code 1503.18 Regarding Kindled Fires

O.R.C. 1503.18 is under the authority of the Ohio Division of Forestry.

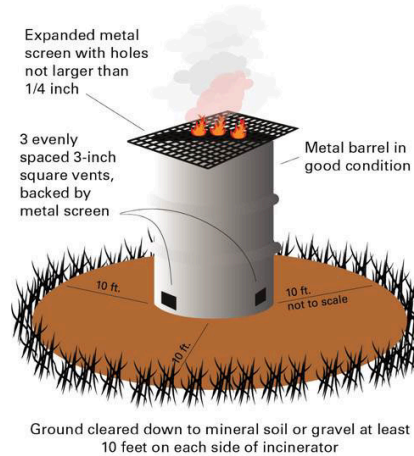

This law prohibits outdoor open burning statewide in unincorporated areas during the months of March, April, May, October, and November between the hours of 6 a.m. and 6 p.m.

This ban includes burning of yard waste, trash, and debris, even in a proper burn barrel.

During spring, wildfire danger is high before plants have turned green, and in fall, fire danger is high due to abundant dry leaves and dead grass. Warm, windy weather in both seasons also contribute to elevated fire risk. Always be sure to use a proper burn barrel when burning outdoors during legal hours.

Call your fire department for info about local burning regulations.

Call ODNR Forestry at 877-247-8733 with questions.

Ohio Administrative Code 3745.19 Regarding Outdoor Burning

O.A.C. 3745.19 is enforced by the Ohio EPA. EPA notification is required for many types of open burns in Ohio.

Call 614-644-2270 with questions or visit: www.epa.ohio.gov/dapc/general/openburning.aspx for complete rules and to find your local EPA office or air pollution control agency.

EPA Basics for Homeowners

Materials NEVER to be burned at any time or any place in Ohio:

- Food Waste
- Dead Animals
- Materials containing rubber, grease, asphalt, or made from petroleum

OTHER RESTRICTIONS:

- Fires must be more than 1,000 feet from neighbor's inhabited building
- No burning when air pollution alert, warning, or emergency is in effect
- Fire/smoke cannot obscure visibility on roadway, railways, or airfields
- No waste generated off the premises may be burned
- No burning within village or city limits or restricted areas

BURN BAN IN EFFECT

No open burning during the months of March, April, May, October and November. Between the hours of: 6:00AM - 6:00PM

Barnesville Police Awarded Grant For AED Machines

The Barnesville Police Department recently was awarded \$5,280.00 from the Belmont County Enrichment Fund through the Community Foundation for the Ohio Valley to purchase Automated External Defibrillators (AED) Machines for the patrol cruisers to better response to sudden cardiac arrest calls. AED machines are portable devices that can deliver an electric shock through the chest to the heart when it detects abnormal rhythm and changes the rhythm back to normal. AEDs help those who are having sudden cardiac arrest, which occurs suddenly when the heart stop beating regularly. AEDs can reduce the risk of death from a cardiac arrest event to help restore the hearts rhythm.

AUTOMATED EXTERNAL
DEFIBRILLATOR

Ohio Total Solar Eclipse

On Monday, April 8, 2024 a total solar eclipse will cross North America, passing over Mexico, the United States, and Canada. On this date, people within 124-mile wide band in the State of Ohio will experience a total solar eclipse. This will be an exciting celestial event and we want all to enjoy the day safely.

Areas in Ohio that are outside of the path of totality will experience a partial eclipse. Barnesville is outside of the path but will experience 97% totality. A total solar eclipse is a rare spectacular event. On average, one happens somewhere on the Earth only once every 1.5 years. Only 21 total solar eclipses have crossed the lower 48 states in the entire existence of the United States.

The last total solar eclipse visible in Ohio was in 1806. The next total solar eclipse for Ohio is the year 2099.

A solar eclipse occurs when the moon casts its shadow on the Earth as it passes between the Earth and the Sun. A total solar eclipse occurs when the moon appears to totally obscure the Sun.

Safety is the number one priority when viewing a total solar eclipse. It's never safe to look directly at the sun's rays, even if the sun is partially obscured. The only safe way to look directly at a partially eclipsed sun is through special-purpose solar filters, such as eclipse glasses or hand-held solar viewers. Be sure you're familiar with solar eclipse safety tips.

Ohio

TOTAL SOLAR ECLIPSE

APRIL 8, 2024

SAVE THE DATE!

In 2024, a total eclipse will go through Ohio. Start planning for this once-in-a-lifetime opportunity!"

Eclipse.Ohio.Gov

HOW TO VIEW A SOLAR ECLIPSE SAFELY

A total solar eclipse occurs when the moon completely blocks the sun's bright face, also known as totality, and day momentarily turns into night.

The only safe way to look directly at the sun during an eclipse is through special-purpose solar filters, like eclipse glasses or handheld solar viewers.

The only safe time to look at the sun without solar filters is during the 2-4 minutes of total eclipse. It is never safe to look at the sun without solar filters during any other phases of the eclipse.

TOTAL ECLIPSE OF THE HEART OF IT ALL

— Center line of total eclipse
— Outer boundaries of the path of totality viewing area

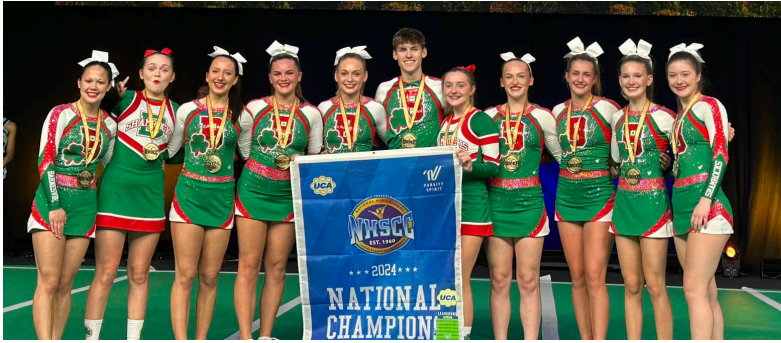

HERE ARE SOME TIPS FOR SAFELY VIEWING THE ECLIPSE:

- Only look at the eclipse through a special-purpose solar filter. Safe eclipse glasses should comply with ISO 12312-2 international standard.
- Homemade filters or ordinary sunglasses, even very dark ones, are unsafe. They transmit too much sunlight and could damage the eyes.
- Inspect your solar filter; discard if scratched or damaged. Follow any instructions for the filter.
- Always supervise children using solar filters.
- Stand still, cover your eyes with your eclipse glasses or solar viewer before looking at the sun. Afterward, turn away before removing your filter — never remove it while looking at the sun.
- Do not look at the uneclipsed or partially eclipsed sun through an unfiltered camera, telescope, binoculars, or other optical device.
 - Similarly, do not look at the sun through a camera, a telescope, binoculars, or any other optical device while using your eclipse glasses or hand-held solar viewer — the concentrated solar rays will damage the filter and enter your eye(s), causing serious injury.
 - Seek expert advice before using a solar filter with a camera, a telescope, binoculars, or any other optical device. Note that solar filters must be attached to the front of any telescope, binoculars, camera lens, or other optics.

Congratulations!

Barnesville Shamrock Cheerleaders on 2024 OVAC 3A Champions with Highest Score, National Champion title, 2024 National High School Cheerleading Championship Varsity Non-Building Division II Game Day, Traditional National Runner-Up, and OASSA Cheer & Dance Division IV Non-Building Game Day State Champions!
