## FROM THE MAYOR'S DESK

Hello Barnesville,

Time flies, and it's hard to believe that 2024 is passing by so swiftly. First, I would like to extend my heartfelt congratulations to our school teams for their incredible season this year. Barnesville has been proudly represented all over the valley, the state, and the nation. We are truly proud of all the team members, coaches, parents, and everyone who influences these programs.

I want to express my sincere gratitude to all the volunteers who dedicated their time and efforts to making our annual Spring Clean-Up Day a resounding success. Your commitment to keeping our streets and public spaces clean and beautiful is genuinely appreciated and contributes to the charm of our community.

Independence Day is an exciting time for Barnesville, and my vision and goal are to grow this celebration over the next few years with a larger fireworks display and additional activities at the park for the whole family. Mark your calendars for July 6th and join the community at the park as we celebrate this patriotic occasion together.

In closing, I would like to extend my heartfelt appreciation to all the dedicated individuals who contribute to making Barnesville a vibrant and welcoming community. Together, we can continue to foster a sense of pride and friendship that will carry us forward for generations to come. I would like to welcome the community to be part of our bi-weekly council meetings. The schedule is available on our website or our Facebook page. If you have any ideas or concerns, feel free to bring them to the council. Your input and involvement are invaluable in shaping the future of our village.

Wishing you all a wonderful summer, and may God bless you and our community.

Sincerely,

Jake Hershberger  
Mayor

## Downtown Street Sweep No Parking Fridays

Residents & visitors are reminded that there is no parking Friday morning between 3:00 AM - 7:00 AM on North Arch St from Church St to East Main, East Main Street from the Square to Henderson St, West Main St from Square to Gardner St, North Chestnut St from Square to Cherry St, and South Chestnut St from Square to Mill St.

## Fire Hydrant Flushing

The Barnesville Water Department will be flushing fire hydrants beginning during summer months and will continue daily until completed. Residents may experience loss of pressure and discolored water and should inspect the water prior to washing clothing as staining may result. The Barnesville Water Department apologizes for any inconveniences this may create.

## Pool Water Meter Available

The Barnesville Water Department has a water meter available for those that are filling their pools up. This meter can be obtained from the Water Office Monday-Friday 8am-4pm. By using this meter you can save on your sewer cost from your water bill when filling up your pool this summer. For more information contact the Water Office 740-425-3672.

## Spring-Summer Street Sweeping

The Village Street Department has began sweeping streets now that the weather has improved. Be on the lookout for flyers to be placed on vehicles for no parking days to allow street sweeping of your street.

## 2023 Water Quality Report Available

The 2023 edition of the Consumer Confidence Report for the Village of Barnesville Public Water System has been published. This brochure is printed to supply information and data on the village's water system and the quality of water served to the consumers.

Copies of the report are available at [barnesvilleohio.com/ccreport.pdf](http://barnesvilleohio.com/ccreport.pdf) or by checking the box on the April water bill and returning to the water department office requesting that a paper copy be mailed to your billing address. The report is also available at the Barnesville Water Department office at 126 E. Church St. or by calling 740-425-3672.

# Historical Solar Events Over Barnesville

The months of April and May marked a couple of historical solar events for Barnesville and the surrounding areas. April 8, 2024 we got to witness the Solar Eclipse take place above us. This solar eclipse was deemed to be a once-in-a-lifetime event. The next total solar eclipse will be in 2044. Then May 10-12, 2024 due to a powerful geomagnetic solar storm the Aurora Borealis (Northern Lights) were viewable across our night skies above Barnesville and throughout the area. This rare spectacle for our area has been deemed the most impressive solar storm in decades. There is a chance in the future for them to be viewable once again. The next astronomical event will be the partial Lunar Eclipse on September 18, 2024 and a Total Lunar eclipse on March 14, 2025.

Pictured above is the Aurora Borealis over Barnesville from May 11, 2024. Pictured to the left is the Solar Eclipse from April 8, 2024.

## Barnesville PD Crusiers Equipped with AEDs

The Barnesville Police Department received a grant for AEDs (automated external defibrillator) through the Community Foundation for the Ohio Valley, Inc. We purchased 4 AEDs through Trudo Albert Fire Equipment out of St Clairsville for a total of \$5,280, which the grant reimbursed 100%. We will now have AEDs in the patrol vehicles. The AEDs are proven lifesaving tools and will greatly aid us in providing the best service to our community. We are grateful to the foundation for their support and assistance.

### Make sure your house number can be seen from the road.

Clearly display your house number so emergency responders can quickly find you.

Barnesville Ordinance Chapter 1371 requires that the owners and each adult occupant of all houses, apartments or other residences located within the Village of Barnesville shall post the street number of said house, apartment or other residence at some conspicuous place on the building or grounds. Said number shall be of sufficient size so as to be visible from the street. Anyone failing to comply may be fined a sum not exceeding fifty dollars (\$50.00). Each day of noncompliance may be considered a separate offense. Making sure your house numbers can be seen helps first responders find your location easier.

Barnesville Ordinance Chapter 1371

**Ohio Outdoor Fire Laws: What You Need to Know**

**Ohio Revised Code 1503.18 Regarding Kindled Fires**

O.R.C. 1503.18 is under the authority of the Ohio Division of Forestry.

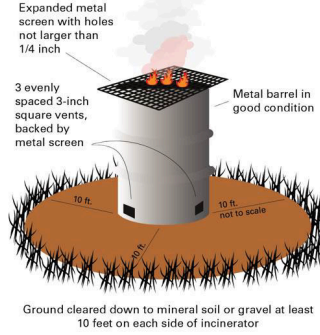

This law prohibits outdoor open burning statewide in unincorporated areas during the months of March, April, May, October, and November between the hours of 6 a.m. and 6 p.m.

This ban includes burning of yard waste, trash, and debris, even in a proper burn barrel.

During spring, wildfire danger is high before plants have turned green, and in fall, fire danger is high due to abundant dry leaves and dead grass. Warm, windy weather in both seasons also contribute to elevated fire risk. Always be sure to use a proper burn barrel when burning outdoors during legal hours.

Call your fire department for info about local burning regulations.

Call ODNR Forestry at 877-247-8733 with questions.

**Ohio Administrative Code 3745.19 Regarding Outdoor Burning**

O.A.C. 3745.19 is enforced by the Ohio EPA. EPA notification is required for many types of open burns in Ohio.

Call 614-644-2270 with questions or visit: [www.epa.ohio.gov/dapc/general/openburning.aspx](http://www.epa.ohio.gov/dapc/general/openburning.aspx) for complete rules and to find your local EPA office or air pollution control agency.

**EPA Basics for Homeowners**

Materials NEVER to be burned at any time or any place in Ohio:

- Food Waste
- Dead Animals
- Materials containing rubber, grease, asphalt, or made from petroleum

**OTHER RESTRICTIONS:**

- Fires must be more than 1,000 feet from neighbor's inhabited building
- No burning when air pollution alert, warning, or emergency is in effect
- Fire/smoke cannot obscure visibility on roadway, railways, or airfields
- No waste generated off the premises may be burned
- No burning within village or city limits or restricted areas

**Contractor & Building Permits Required**

Completing a project this year? You may need to obtain a building permit with the Village. Any time you are building or remodeling commercial or residential property within the Village of Barnesville Corporation limit you must first obtain a building permit. This gives you legal permission from the Village to begin construction work or demolition.

These permits must be obtained BEFORE your project can begin. Contractors are also required to obtain a permit with the Village prior to doing contractor work within the Village Corporation Limit. These permits can be obtained from the Fiscal Office at the Municipal Building, 132 N Arch St, Barnesville on the 2nd floor. Permit application forms can be found on the Village Website [www.barnesvilleohio.com](http://www.barnesvilleohio.com) on the Fiscal Office page or by clicking on the forms button on the homepage.

If you have any questions about building or contractor permits you may contact the Fiscal Office 740-425-3444.

**Barnesville High School Class of 2024!**  
Warm wishes for a happy and successful future to all our Barnesville graduates!

### Happy Retirement John Fuchs!

John Fuchs started with the Barnesville Police Department in May of 2012 after retiring from the Cuyahoga County Sheriff's Office. Initially, John was just looking to remain part of the law enforcement community and maybe come in and ride with the officers every once in a while. A short time later, the need for a school resource officer at the elementary school arose. John agreed to fill the position for that year. John was fantastic in this position and quickly built strong and long lasting relationships with the staff and students. The first year turned into a second, then a third, and now here we are more than a decade later saying thank you and congratulations to a truly irreplaceable department member. In the 12 years that I have known and worked with John, I can't think of a single conversation I had with him that he didn't have me laughing at least once, as he was never short on jokes. Congratulations, brother. Thank you for everything and you are loved by all of us here at the PD, the schools, and most importantly all the kids that you had such an impact on. - Chief Rocky Sirianni

POLICEMEN vs FIREFIGHTERS

**BPD-185 pounds**  
**FD-97 pounds**

Throughout history, there have been many forces that overcame great odds and came out victorious. Yesterday's "battle of the bags" between the Police and Fire Departments was no exception. Where we lack in numbers, we make up for with heart, determination, and grit. Though they were a worthy and strong opponent, we were able to emerge victorious. Thank you to everyone who helped out, including SRO Fuchs, Dispatcher Kathy, Riesbeck's, Village Hardware, the Junior Women's Club for all they do for the community, and everyone else who helped us "bag up" the win. Also, good game, FD.
