## FROM THE MAYOR'S DESK

**Hello Barnesville,**

As we dive into summer, I hope this season brings you joy, adventure, and plenty of time to relax with family and friends. It's a delight to see our community bustling with activity, from our walking trails to the park, with the scents of BBQ grills filling the fresh air as families gather for fun and connection. We're looking forward to the opening of the Barnesville pool, offering a refreshing escape from the heat soon!

I'm excited to remind everyone that our annual Independence Day festivities will be on July 5th, featuring a fantastic fireworks display at the park! Join us for games, activities, and delicious food, followed by a spectacular fireworks show to celebrate our nation's independence. Let's come together to create a memorable occasion!

I also want to express my heartfelt gratitude to all the volunteers who assisted with our Spring Clean-Up Day in partnership with the J.B. Green Team. Your hard work and dedication to ensuring our residents could clean up their spaces for free are truly appreciated.

I encourage everyone to stay engaged in our community by attending our bi-weekly council meetings. Your voice helps shape Barnesville's future. Let's continue supporting local businesses, volunteering, and connecting with neighbors to strengthen our community spirit.

Wishing you all a wonderful summer filled with joy and cherished moments. May God bless you and our beloved community as we continue to grow and flourish together.

Warmest regards,

*Jake Hershberger*

Jake Hershberger  
Mayor of Barnesville

### Fire Hydrant Flushing

The Barnesville Water Department will be flushing fire hydrants beginning during summer months and will continue daily until completed. Residents may experience loss of pressure and discolored water and should inspect the water prior to washing clothing as staining may result. The Barnesville Water Department apologizes for any inconveniences this may create.

### Pool Water Meter Available

The Barnesville Water Department has a water meter available for those that are filling their pools up. This meter can be obtained from the Water Office Monday-Friday 8am-4pm. By using this meter you can save on your sewer cost from your water bill when filling up your pool this summer. For more information contact the Water Office 740-425-3672.

# STOP FOR PEDESTRIANS

Ensuring the safety of everyone is a top priority. We've observed instances where vehicles are not consistently slowing down and yielding the right of way to pedestrians at intersections. To foster a safer environment for all, we want to remind both drivers and pedestrians of their crucial roles and provide helpful safety tips.

## For Motor Vehicle Operators:

It's crucial to remember that crosswalks, whether marked with painted lines or unmarked at intersections, are there for the safety of pedestrians. Please keep the following in mind every time you're behind the wheel:

- **Check crosswalks** before turning at intersections. Pedestrians may be crossing even as you prepare to turn.
- **Yield the right of way in crosswalks.** When traffic signals aren't in place or clearly indicating who has the right of way, you **must** slow down or stop to allow pedestrians to cross safely. This applies when the pedestrian is on your half of the road or approaching so closely from the other half that they are in danger.
- **Pay attention to mid-block crossings.** These crossings, often accompanied by yellow flashing warning lights, are specifically designed to allow pedestrians to cross safely between intersections. Be alert and prepared to stop.
- **Never overtake and pass a vehicle stopped at a crosswalk.** That vehicle has likely stopped for a pedestrian, and passing it puts that person at serious risk.
- **Stop and look before turning right on red.** Ensure no pedestrians are in the crosswalk before proceeding.
- **Look in all directions before making any turn.** Pedestrians may be approaching from unexpected directions.
- **Obey posted speed limits and all traffic laws.** Speed plays a significant role in pedestrian safety.

## The Law is Clear:

Ohio law (ORC 4511.46) and Village Codified Ordinance (ORD 371.01) explicitly states:

(a) When traffic control signals are not in place, not in operation or are not clearly assigning the right of way, the driver of a vehicle shall yield the right of way, slowing down or stopping if need be to so yield or if required by Section 313.09, to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger.

(d) Whenever any vehicle is stopped at a marked crosswalk or at any unmarked crosswalk at an intersection to permit a pedestrian to cross the roadway, the driver of any other vehicle approaching from the rear shall not overtake and pass the stopped vehicle.

## For Pedestrians:

Your safety is just as important, and there are steps you can take to ensure it:

- **At intersections with pedestrian signals, only cross when the white "walk" signal is illuminated.** This indicates it is safe to begin crossing.
- **Be aware of mid-block crossings and the yellow warning lights.** These lights are there to alert drivers, but it's still important to ensure vehicles are stopping before you enter the crosswalk.
- **Never suddenly leave the curb or another place of safety and walk or run into the path of a vehicle that is too close.** Give drivers enough time to see you and react.

## Safety is Everyone's Responsibility:

Creating a safe environment requires the cooperation of everyone. Whether you are operating a motor vehicle or walking, please be mindful of crosswalks and the rules designed to protect pedestrians. By paying attention, being patient, and following these guidelines, we can all contribute to a safer and more enjoyable downtown for everyone.

**Stop for pedestrians crossing at intersections and mid-block crossings. Stop and look before turning right on red. Look in all directions before making a turn. Obey posted speed limits and traffic laws.** Let's work together to make our downtown a place where pedestrians can cross safely.

### 351.03 PROHIBITED STANDING OR PARKING PLACES.

- (a) No person shall stand or park a vehicle, except when necessary to avoid conflict with other traffic or to comply with the provisions of this Traffic Code, or while obeying the directions of a police officer or a traffic control device, in any of the following places:
- (1) On a sidewalk, curb or street lawn area, except as provided in subsection (b) hereof;
  - (2) In front of a public or private driveway;
  - (3) Within an intersection;
  - (4) Within ten feet of a fire hydrant;
  - (5) On a crosswalk;
  - (6) Within twenty feet of a crosswalk at an intersection;
  - (7) Within thirty feet of, and upon the approach to, any flashing beacon, stop sign or traffic control device;
  - (8) Between a safety zone and the adjacent curb or within thirty feet of points on the curb immediately opposite the end of a safety zone, unless a different length is indicated by a traffic control device;
  - (9) Within fifty feet of the nearest rail of a railroad crossing;
  - (10) Within twenty feet of a driveway entrance to any fire station and, on the side of the street opposite the entrance to any fire station, within seventy-five feet of the entrance when it is properly posted with signs;
  - (11) Alongside or opposite any street excavation or obstruction when such standing or parking would obstruct traffic;
  - (12) Alongside any vehicle stopped or parked at the edge or curb of a street;
  - (13) Upon any bridge or other elevated structure upon a street, or within a street tunnel;
  - (14) At any place where signs prohibit stopping, standing or parking, or where the curbing or street is painted yellow, or at any place in excess of the maximum time limited by signs;
  - (15) Within one foot of another parked vehicle;
  - (16) On the roadway portion of a freeway, expressway or thruway.

### 351.11 PARKING IN ALLEYS AND NARROW STREETS; EXCEPTIONS.

- (a) No person shall stop, stand or park any vehicle upon a street, other than an alley, in such a manner or under such conditions as to leave available less than ten feet of the width of the roadway for free movement of vehicular traffic, except that a driver may stop temporarily during the actual loading or unloading of passengers or when directed to by a police officer or traffic control signal.

Except as otherwise provided by law, no person shall stop, stand or park a vehicle within an alley except while actually loading and unloading, and then only for a period not to exceed thirty minutes.

- (b) Whoever violates this section is guilty of a minor misdemeanor on a first offense; on a second offense within one year after the first offense, the person is guilty of a misdemeanor of the fourth degree; on each subsequent offense within one year after the first offense, the person is guilty of a misdemeanor of the third degree.

## Barnesville Projects Continue Through The Summer Months

As summer unfolds, Barnesville continues to make significant strides with several infrastructure projects aimed at enhancing both the village's accessibility and historic charm. Notably, work on the Barnesville Bike & Pedestrian Path is well underway. This initiative is transforming a section of the former Baltimore and Ohio (B&O) Railroad track into a dedicated paved route for cyclists and pedestrians. Stretching from East South Street to Bethesda Street, the path will feature bike and pedestrian signage, pavement markings, and a parking area at the B&O Depot trailhead. A highlight of the project is the restoration of the historic railroad tunnel beneath East Main and South Arch Streets, which will be fully integrated into the new path. These upgrades are designed to provide a safer, more accessible route for non-motorized traffic while preserving the village's historic charm. Although vehicle traffic will remain unaffected, pedestrians are temporarily rerouted due to the tunnel closure. The project is slated for completion by Fall 2025.

In addition to the bike path, the Village Street Department is busy with routine maintenance throughout the summer. Crews are out filling potholes and patching roads, ensuring that repairs are more durable and long-lasting. While potholes are more common in winter due to freeze-thaw cycles, work continues through the warmer months to maintain road quality. In response to increasingly severe storms, the Street Crew is frequently called out in the middle of the night to clear fallen trees and branches, keeping roads safe for residents.

Paving projects will also be taking shape across the village. One of these projects is the resurfacing work along State Route 147, from East Main Street to Hilles Avenue, which includes South Chestnut Street and Leatherwood Pike. This project, part of a county initiative, is expected to be completed by September 2025.

The Cemetery Crew is hard at work maintaining the village's cemeteries and village properties, ensuring they are properly mowed and cared for. The Park Crew is also staying busy, maintaining the park grounds to ensure they're clean, well-kept, and ready for ball games, picnics, community events and outdoor activities.

Looking ahead, several key initiatives are on the horizon. The Village has submitted a proposal for the Safe Routes to School project, aimed at improving safety and accessibility for students who walk or bike to school. Additionally, rural communities such as Hendrysburg, Mt. Olivett Road, and the Village of Fairview will soon gain access to public water through an extension project in partnership with the Rural Community Assistance Partnership (RCAP).

Council is also working on securing bids for the replacement of the Barnesville B&O Railroad Depot roof, as well as moving forward with contracts for the repair of Reservoir Dam #1 to ensure the safety and longevity of this critical infrastructure.

Meanwhile the downtown clock restoration project has wrapped up. The town clock is now back on its pedestal featuring a newly updated face and glass, and it is beautifully illuminated during the night. Special thanks to Joel Braid, Keith Moore, and Jimmy Wells for their dedication to the clock's restoration.

With a busy summer of paving, construction, and historic preservation, Barnesville is on a clear path toward growth and improvement, enhancing both its infrastructure and quality of life for residents now and into the future.

## Town Clock Restored

Our beloved town clock is back on its pedestal in downtown Barnesville! After a careful and thoughtful restoration, this iconic symbol of our town's history and charm has returned, gracing our Downtown with renewed elegance. We invite you to come and experience its timeless beauty once more.

A heartfelt thank you to Joel Braidon, Keith Moore, and Jimmy Wells for their invaluable contributions in restoring this treasured piece of our heritage.

A special and heartfelt thanks to Jimmy Wells for his unwavering dedication over the years in caring for and maintaining our town clock. His passion and commitment have kept this symbol of Barnesville's spirit ticking for generations.

## Barnesville Downtown Beautification & Tributes

As summer unfolds, a transformation graces our historic downtown. The vibrant display begins with the proud unfurling of United States Flags along our streets. The colorful Flower Baskets join them, adding a cascade of blooms that awakens the heart of our town. In the flower beds, a dedicated community of volunteers breathes life into the soil, their efforts painting our downtown with vibrant hues and a sense of care. We extend our sincere gratitude to the Barnesville Area Chamber of Commerce (BACC) for their unwavering support of these beautification projects. Our heartfelt thanks also go to every volunteer and sponsor who contributes to the beauty of our flower beds and the village baskets. This year brings a special addition: the Barnesville American Legion Riders Home Town Hero banners, a powerful tribute to our Veterans that proudly line our downtown streets. Explore charming downtown Barnesville! Browse unique shops and see the lovely window displays, like the BACC's Bohandy Building Window Display!

## Ohio Outdoor Fire Laws: What You Need to Know

### Ohio Revised Code 1503.18 Regarding Kindled Fires

O.R.C. 1503.18 is under the authority of the Ohio Division of Forestry.

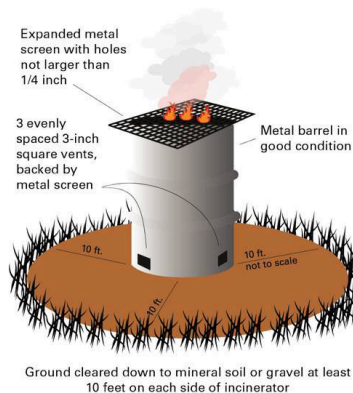

This law prohibits outdoor open burning statewide in unincorporated areas during the months of March, April, May, October, and November between the hours of 6 a.m. and 6 p.m.

This ban includes burning of yard waste, trash, and debris, even in a proper burn barrel.

During spring, wildfire danger is high before plants have turned green, and in fall, fire danger is high due to abundant dry leaves and dead grass. Warm, windy weather in both seasons also contribute to elevated fire risk. Always be sure to use a proper burn barrel when burning outdoors during legal hours.

Call your fire department for info about local burning regulations.

Call ODNR Forestry at 877-247-8733 with questions.

### Ohio Administrative Code 3745.19 Regarding Outdoor Burning

O.A.C. 3745.19 is enforced by the Ohio EPA. EPA notification is required for many types of open burns in Ohio.

Call 614-644-2270 with questions or visit: [www.epa.ohio.gov/dapc/general/openburning.aspx](http://www.epa.ohio.gov/dapc/general/openburning.aspx) for complete rules and to find your local EPA office or air pollution control agency.

#### EPA Basics for Homeowners

Materials **NEVER** to be burned at any time or any place in Ohio:

- Food Waste
- Dead Animals
- Materials containing rubber, grease, asphalt, or made from petroleum

#### OTHER RESTRICTIONS:

- Fires must be more than 1,000 feet from neighbor's inhabited building
- No burning when air pollution alert, warning, or emergency is in effect
- Fire/smoke cannot obscure visibility on roadway, railways, or airfields
- No waste generated off the premises may be burned
- No burning within village or city limits or restricted areas

## Friendly Pet Reminders

As the weather warms, we're seeing more of you and your furry companions out and about enjoying our beautiful town. To ensure everyone has a pleasant experience, we wanted to share a friendly reminder about responsible pet ownership – our community's way of describing the expectations and best practices for caring for our animals.

Being a responsible pet owner helps us maintain a safe, clean, and enjoyable environment for everyone in Barnesville. It also aligns with our local ordinances, which help ensure the well-being of both people and pets.

Here are a few key aspects of responsible pet ownership, based on our Barnesville ordinances:

**ORD 505.01 Dogs and Other Animals Running at Large.** No owner can allow a dog and other animals to run at large. All dogs and other animals must be on a leash when they are being walked. Dogs and other animals must be under the reasonable control of some persons.

**ORD 505.09 Barking or Howling Dogs.** No person shall keep or harbor any dog within the Municipality which, by frequent and habitual barking, howling or yelping, creates unreasonably loud and disturbing noises of such a character, intensity and duration as to disturb the peace, quiet and good order of the Municipality.

**ORD 505.17 Removal of Dog and Other Animal(s) Feces.** No person, being the owner of or in charge or control of any animal(s), shall permit such animal(s) to commit a nuisance on school grounds, Village grounds or other public property, or upon any private property other than the property of such owner or person, without the permission of the owner of such other property. Where the owner or person in charge or control of such animal(s) immediately removes all feces deposited by such animal(s) and disposes of the same in a sanitary manner, such nuisance shall be considered abated.

A dog owner shall be responsible for the immediate removal and proper disposal of his/her dog's feces. Proper disposal shall consist of placing the feces in a wrapper and using a trash receptacle.

By practicing good responsible pet ownership, we can all contribute to a more welcoming and enjoyable community for both people and their beloved pets.

Want to learn more about responsible pet ownership in Barnesville? You can find detailed information by visiting <https://barnesvilleohio.com/ordinances>, click on the "View Codified Ordinances" button and search for "Chapter 505: Animals and Fowl".

Thank you for being a responsible pet owner and helping to make Barnesville a great place to live for everyone!

## Property Maintenance Enforcement Strengthened

The Village of Barnesville is enhancing community well-being with the creation of a dedicated Property Maintenance Code Enforcement Officer within the Police Department this summer. Village Council agreed on this initiative at their May 5, 2025 meeting. This role centralizes responsibility for property abatements and enforcement of the Village's Property Maintenance Code (Section 1381), previously shared among the Village Administrator, Fire Chief, and Police Chief. This focused approach will streamline the process and improve follow-up on property maintenance issues.

Property owners in violation will receive a 30-day notice for correction. Non-compliance may result in a summons to Mayor's Court and daily fines of \$100.

Residents can report property maintenance concerns to the Barnesville Police Department at 740-425-1976 or online at [www.barnesvilleohio.com](http://www.barnesvilleohio.com) under "Report A Concern."

With over 60 abatement notices issued in 2024, the establishment of this dedicated Property Maintenance Code Enforcement Officer will strengthen the Village's ability to maintain a clean and safe environment for all residents through more efficient and consistent follow-up starting this summer.

### VILLAGE OF BARNESVILLE PROPERTY MAINTENANCE CODE 1381

**BUILDING MAINTENANCE:** All buildings - storage, houses, trailers should be weather resistant tight, free from excessive peeling or any deteriorating conditions such as cracks, holes, broken glass that may admit rain, cold air, dampness, rodents, and insects.

**FENCES OR RETAINING WALLS:** Must be structurally sound and not deteriorating, must not have loose or leaning elements.

**MAINTENANCE OF PREMESIS:** Each and every premesis shall be kept free of all nuisances, health, safety, and fire hazards, unsanitary conditions, and infestation. It shall be the duty of the responsible party to keep the premesis free of said conditions and to promptly remove and abate the same.

**TRASH, JUNK, DEBRIS:** Such items are prohibited from being left on your property for extended periods of time. They must be properly disposed of.

**VEHICLES:** Must have current & updated registration and tags. Must be equipped with all parts required to legally operate safely on the roadway.

**JUNK &/OR INOPERABLE VEHICLES:** Must be stored within a fully enclosed building or other location not exposed to public view, or shall be removed from the premesis.

The exterior of every premises and structure shall be maintained in good repair, to the end that the premises and each structure thereon will be preserved; adjoining properties protected from blighting influences; and safety and fire hazards eliminated

### **Parking Permits Available - East Main Lot**

The Village of Barnesville has several permit parking spaces available in the East Main Street Parking Lot, located between Cheffy's and Avenues of Barnesville. The cost is \$20 a month or \$120 a year. Parking permits are valid Monday through Saturday 8am-6pm, except special events and for maintenance. Permits are sold on a first come basis. For more information or to purchase a permit, contact the Barnesville Police Department 740-425-1976.

### **House Numbers Required**

Barnesville Ordinance Chapter 1371 requires that the owners and each adult occupant of all houses, apartments or other residences located within the Village of Barnesville shall post the street number of said house, apartment or other residence at some conspicuous place on the building or grounds. Said number shall be of sufficient size so as to be visible from the street. Anyone failing to comply may be fined a sum not exceeding fifty dollars (\$50.00). Each day of noncompliance may be considered a separate offense. Making sure your house numbers can be seen helps first responders find your location easier.

### **Contractor & Building Permits Required**

Planning a project this year? You may need a building permit from the Village of Barnesville. Whether you're constructing or remodeling commercial or residential property within the Village limits, a permit is required before starting any work or demolition. This ensures you have legal permission from the Village to proceed with your project.

Contractors are also required to obtain a permit before performing any work within the Village limits. Permits can be obtained from the Fiscal Office on the 2nd floor of the Municipal Building, located at 132 N Arch St, Barnesville.

Permit applications are available on the Village website at [www.barnesvilleohio.com](http://www.barnesvilleohio.com), either on the Fiscal Office page or by clicking the "Forms" button on the homepage.

If you have any questions about building or contractor permits, please contact the Fiscal Office at 740-425-3444, Monday-Friday 8:00am-4:00pm.

### **Village Notice: Peddlers & Solicitors**

Did you know that Village Ordinance Section 712.02 requires anyone acting as a **peddler** (any person who carries with him or her for the purpose of sale at retail and immediate or future delivery, goods, wares, food or merchandise, or any person who in person as principal or agent, canvasses, sells, or otherwise obtains orders or commitments for the sale, repair or exchange of goods, wares, food or merchandise, or services) or a **solicitor** (any person who obtains or seeks to obtain funds for any cause whatsoever by means of canvassing from place to place) to obtain a license from the Village?

**This ordinance is in place to help ensure the safety and well-being of our residents. Please be aware that while the Police Department is generally no longer issuing these permits due to the volume of public complaints and past issues, they may be considered on a case-by-case basis.**

### **What does this mean for residents?**

If a solicitor comes to your door, please **do not engage and immediately report the incident to the Barnesville Police Department at 740-425-1976**. Your vigilance helps us maintain a peaceful and secure environment in our village.

Individuals seeking a peddler or solicitor permit should contact the Barnesville Police Department directly to inquire about the application process and whether their request may be considered. There is a \$100 per permit per year fee that expires December 31 of the current calendar year; regardless of the date such license is issued.

No license is required for peddlers or solicitors in specific situations. These include those soliciting the purchase of or subscriptions for local Belmont County newspapers, those making wholesale deliveries of business-related equipment or articles to commercial establishments, and those peddling or soliciting at the direct invitation or request of the person being contacted. Additionally, individuals soliciting or peddling on behalf of local religious, educational, civic, or charitable organizations are exempt from the licensing requirement, provided they are not compensated for their efforts.

Thank you for your cooperation. For questions or concerns you may contact the Barnesville Police Department at 740-425-1976.

## Golf Cart Reminders

During the Summer months we tend to see an increase usage of Golf Cart Operations within the Village. We would like to remind residents of the rules/laws of operating golf carts within the Village of Barnesville Corporation Limits:

- Drivers/Operators of a golf cart must have a VALID driver's license.
- No person less than 16 years of age should operate a golf cart.
- No person shall operate a golf cart on the street within the Village of Barnesville unless the golf cart has been inspected.
- Do not drink and drive.

## Wipes Clog Pipes - Don't Flush Them!

It might seem convenient to flush wipes down the toilet—but doing so can lead to costly plumbing repairs and serious damage to our wastewater systems. Even wipes labeled “flushable” don’t break down like toilet paper. Instead, they can block household pipes, jam equipment at treatment facilities, and contribute to massive sewer clogs.

This includes:

- Baby wipes
- Makeup wipes
- Disinfecting wipes
- Cleaning wipes
- “Flushable” wipes
- Paper towels and more

Only toilet paper and human waste should be flushed.  
Everything else belongs in the trash.

Flushing the wrong items doesn’t just affect your home—it can impact the entire community. Help keep our pipes clear and our water systems working by making smart flushing choices. When in doubt, throw it out!

## WE WANT TO KNOW WHAT YOU THINK!
